

Kenny Lattimore, For You

For you I give a lifetime of stability, anything you want of me, nothing is impossible

For you there are no words or ways to show my love or all the thoughts I'm thinking of

'Cause this life is no good alone since we've become one I've made a change

Everything I do now makes sense, all roads end, all I do is for you

For you I share the cup of love that overflows and anyone who knows us knows that I would change all faults I have

For you there is no low or high or in between of my heart that you haven't seen

'Cause I share all I have and am, nothing I've said is hard to understand

And all I feel I feel deeper still and always will all this love is for you

Every note that I play, every word I might say, every melody I feel

Are only for you and your appeal

Every page that I write, everyday of my life would not be filled without the things

That my love for you now brings

For you I'd make a promise of fidelity, now and for eternity

No one could replace this vow

For you I'd take your hand and heart and everything and add to them a wedding ring

'Cause this life is no good alone, since we've become one you're all I know

And if this feeling should leave I'd die and here's why

All I am is for you

Everything I do now makes sense, all roads end and all I do...

Is for you

Only for you
