

Kenny Lattimore, Forever

Oh, ooh...

Yeah, yeah...

I would never let you go

Ooh...

This time it's forever

(Verse 1)

Girl I want to know what's on your mind

'Cause when I look into your eyes they're saying words you don't express

I don't want you feeling you're wasting your time

While everyday I live just to please you, that's my only desire

If you think that this love won't last

'Cause of what you been through in the past

I'm loving you only You don't have to worry no No, no...

If you're afraid to let your feeling show

'Cause inside you're just not sure

I'm gonna show you that nothing's changed Oh, no...

(Chorus)

I would never let you go

No one's gonna love you more

This time it's forever

I would never let you go

No one's gonna love you more

This time it's forever

(Verse 2)

Girl I want to be right where you are

Sharing every moment together

Everyday, everynight

Girl I promise you that I'll be faithful Yeah...

Because your happiness is all I'm living for Oh, yeah, yeah, yeah...

(Chorus) x 2

If you think that this love won't last Won't last...

'Cause of what you been through in the past

I'm loving you only You don't have to worry no Oh, no, no...

If you're afraid to let your feeling show

'Cause inside you're just not sure

I'm gonna show you that nothing's changed Hey...

(Chorus/Vamp Out)
