Kenny Lattimore, If You Could See You Through

For you

I'd give a life time of stability

Anything you want of me

Nothing is impossible

For you

There are no words or ways to show my love

Or all the thoughts I'm thinking of

'Cause this life is no good alone

Since we've become one

I made a change

Everything I do now makes sense

All roads end

All I do is for you

For you

I share the cup of love that overflows

And anyone who knows us knows

I would change all thoughts I have

For you

There is no low or high or in between

Of my heart that you haven't seen

'Cause I share all I have and am

Nothing I've said is hard to understand

All I feel I feel deeper still

And always will

All this love is for you

Every note that I play

Every word I might say

Every melody feel

Are only for you and your appeal???

Every page that I write

Every day of my life

Would not be filled without the things

That my love for you now brings

For you

I make a promise of fidelity

Now and for eternity

No one could replace this love

For you

I take your hand and heart and everything

And add to them a wedding ring

'Cause this life is no good alone

Since we've become one

You're all I know

If this feeling should leave I'd die

And here's why

All I am is for you

Everything I do now makes sense

All roads end

All I do is for you

Only for you
