

# Kenny Price, Happy Tracks

I know that you've heard people say many many times  
You don't pass through this world but once you'll get yours and I'll get mine  
But I've got a philosophy I believe I'd rather go by  
And if you'll just listen you may want to give it a try  
Leave a lotta happy tracks as you go down life's road  
Leave a lotta happy tracks everywhere you go  
Leave a lotta happy tracks and keep this in mind  
Others will have to follow in the path you leave behind

As you walk the tangle streets of life notice your fellow man  
And when he gets in trouble lend him a helping hand  
Sow good seeds in your fields of life as you go along  
Let others reap your happiness a long time after you're gone  
Leave a lotta happy tracks...

[ strings + trumpet ]

Don't ever use a good friend for a personal game  
To game wealth and lose one friend would only be in vain  
Let your happy tracks be many leave them everywhere you go  
Others will have to harvest each and every seed you sow  
Leave a lotta happy tracks...
