

Kenny Price, Hunky Dory

Hunky Dory Hunky Dory Hunky Dory it's all right with me
Time is a runnin' out with our love affair I can see it in your face it's everywhere
You haven't left a stone or turn and left not a bridge that haven't burnt
It's Hunky Dory it's all right with me
Hunky Dory Hunky Dory Hunky Dory it's all right with me
I bet you thought I'd get down on my knees and beg
But if I can't stand up straight I never bent my legs
I'll never stoop that low again to love you baby must've been a sin
It's Hunky Dory it's all right with me
Hunky Dory Hunky Dory Hunky Dory it's all right with me
[sax]
There's just a few things I'd like to say before you go
Did you really think I tried the blues and let it show
There's a lotta places you can go but there's one and particular that I know
It's Hunky Dory it's all right with me
Hunky Dory Hunky Dory Hunky Dory it's all right with me
Hunky Dory Hunky Dory Hunky Dory it's all right with me
It's alright it's alright it's alright it's alright
