

Kenny Price, It Don't Mean A Thing To Me

Just because I tell you there's nobody like you that don't mean that it's true
And if I should whisper the words I love you that don't mean that I do
I may even kid around about get married if I do pay me no mind
For I'm the kind of guy that will tell you a lie and it don't mean a thing to me
If I buy you pretty things before you accept them make sure you understand
Pretty things like pretty words come easy to me that's part of well made plans
They're just tools of my trade and I know how to use them
And I abuse them many times
For I'm the kind of guy that will tell you a lie and it don't mean a thing to me
Well when you see me comin' better lock your door pretend you're not at home
And if I should call you do yourself a favor just don't answer your phone
For all my life I've had a model love 'em leave 'em and that's just part of my line
For I'm the kind of guy that will tell you a lie and it don't mean a thing to me
Well it don't mean a thing to me
