

Kenny Price, Take Good Care Of My Baby

My tears are falling cause you're taking her away
And though it really hurts me so there's something that I gotta say
Take good care of my baby please don't ever make her blue
Just tell her that you love her make sure you're thinking of her
In everything you say or do
Take good care of my baby don't you ever make her cry
Just let the love surround her paint the rainbow all around her
Don't let her see a cloudy sky
Once upon a time that little girl was mine
If I had been true ah now she'd never be with you
So take good care of my baby be just as kind as you can be
And if you should discover that you don't really love her
Just send my baby back home to me
[strings]
Take good care of my baby be just as kind as you can be
And if you should discover that you don't really love her
Just send my baby back home to me
Take good care of my baby take good care of my baby take good care of my baby
