

# Kenny Price, Thing Called Love

Six foot six stood on the ground weighed two hundred and thirty five pounds  
I saw that giant of a man brought down to his knees by love  
He's the kind of a man that would gamble his luck  
Look you in the eye and never back up  
But I saw him a cryin' like a little whipped pup because of love  
Can see it with your eyes hold it in your hand but like the wind that covers the land  
Strong enough to rule the heart of any man this thing called love  
It can lift you up it can't let you down take your world and turn it all around  
Ever since time nothing's ever been found stronger than love  
[ strings ]  
Most men are like me they struggle in doubt  
They trouble their minds day in and day out  
Too busy with livin' to worry about a word called love  
[ strings ]  
But when I see a mother's tenderness as she holds her young close to her brest  
Than I thank God that the world's been blessed by a thing called love  
Can see it with your eyes...
