

Kenny Price, Walk On Out Of My Mind

I hear the echo of your footsteps they're right in step with marching time
Since you've walked out of my life and out of my world
Please walk on out of my mind
I know you're hidin' there in the darkness it's got me running scared and blind
Since you've walked out of my life and out of my world
Please walk on out of my mind
You've got footprints all over my memories and I must erase them if I can
You keep a stumblin' through my hopes and dreams
Keepin' around my future plans
You've got me a walkin' round in circles looking for something I'll never find
Since you've walked out of my life and out of my world
Please walk on out of my mind
