

# Kenny Price, You Almost Slipped My Mind

She walked right up to me and took me by the hand  
An angel who could please most any man  
She said to me I'm free and you're just my kind  
And for a moment you almost slipped my mind  
Almost you almost slipped my mind I could taste taste her kisses in the wine  
But your mem'ry came and found me just in time  
But for a moment you almost slipped my mind  
[ steel ]  
Now I can see how sometimes a man can be so blind  
Let himself be led astray become the cheating kind  
I'd found myself falling for that same old line  
Yes for a moment you I almost slipped my mind  
Yes for a moment you I almost slipped my mind
