

Kenny Rogers & Dolly Parton, Winter Wonderland

Sleigh bells ring are you listening in the lane snow is glistening
A beautiful sight we're happy tonight walking in the winter wonderland
Gone away is the bluebird here to stay is a newbird
He sings a love song as he goes alone walking in the winter wonderland
In the meadow we can build the snowman and pretend that he is Parson Brown
He'll say are you merry we'll say no man but you can do the job when you're in town
Later on we'll conspire as we dream by the fire
The face on the frame the plans that we made walking in the winter wonderland

Just hear those sleigh bells jingleing ring ting tingleing too
Come on it's lovely weather for a sleigh ride together with you
Outside the snow is falling and friends are calling you hoo
Come on it's lovely weather for a sleigh ride together with you

In the meadow we can build the snowman...
The face on the frame the plans that we made walking in the winter wonderland
