

# Kenny Rogers, Don't Fall In Love With a Dreamer

Just look at you sitting there  
You never looked better than tonight  
And it'd be so easy to tell you I'd stay  
Like I've done so many times  
I was so sure this would be the night  
You'd close the door  
And wanna stay with me  
And it'd be so easy  
To tell you I'd stay  
Like I've done so many times

Don't fall in love with a dreamer  
Because he'll always take you in  
Just when you think  
You've really changed him  
He'll leave you again  
Don't fall in love with a dreamer  
Because he'll break you every time

So put out the light and just hold on  
Before we say goodbye  
Now it's morning  
and the phone rings and ya say  
You gotta get your things together  
You just gotta leave  
Before you change your mind  
And if you knew  
What I was thinking girl, I'd turn around  
If you'd just ask me one more time  
Don't fall in love with a dreamer  
Because he'll always take you in  
Just when you think  
You've really changed him  
He'll leave you again  
Don't fall in love with a dreamer  
Because he'll break you every time  
so put out the light and just hold on  
Before we say goodbye
