Kenny Rogers, For the Good Times

Don't look so sad, I know it's over But life goes on And this old world just keeps on turning

Let's just be glad, we had this time To spend together There's no need to watch the bridges That were burning.

Lay your head on my pillow Hold your warm and tender body next to mine Hear the whisper of the raindrops Beating soft against the window And make believe you love me one more time For the good times.

I get along you'll find another And I'll be here if you should find You ever need me.

Don't say a word About tomorrow or forever There'll be time enough For sadness when you leave.

Lay your head on my pillow
