

# Kenny Rogers, Islands in the Stream

"[Kenny Rogers]"

Baby when I met you, there was peace unknown  
I set out to get you with a fine toothed comb  
I was soft inside, there was something going on

"[Kenny Rogers & Dolly Parton]"

You do something to me, that I can't explain  
Hold me closer, and I feel no pain  
Every beat of my heart, we got something goin' on

"[Kenny Rogers]"

Tender love is blind, it requires a dedication

"[Kenny Rogers & Dolly Parton]"

Honest love, we feel, needs no conversation  
And we ride it together, uh huh  
Making love with each other, uh huh

Islands in the stream, that is what we are  
No one in between, how can we be wrong  
Sail away with me, to another world  
And we rely on each other, uh huh  
From one lover to another, uh huh

"[Dolly Parton]"

I can't live without you if the love was gone  
Everything is nothin' if you got no one  
And you just walk in the the night  
Slowly losing sight of the real thing

"[Kenny Rogers & Dolly Parton]"

But that won't happen to us, and we got no doubt  
Too deep in love, and we got no way out  
And the message is clear  
This could be the year for the real thing

"[Dolly Parton]"

No more will you cry  
Baby I will hurt you never

"[Kenny Rogers & Dolly Parton]"

We start and end as one  
In love forever  
We can ride it together, uh huh  
Makin' love with each other, uh huh

Islands in the stream, that is what we are  
No one in between, how can we be wrong  
Sail away with me, to another world  
And we rely on each other, uh huh  
From one lover to another, uh huh

"[Kenny Rogers]"

(Sail away)

"[Dolly Parton]"

(Ohhh, sail away with me)

"[Kenny Rogers & Dolly Parton]"

Islands in the stream, that is what we are  
No one in between, how can we be wrong  
Sail away with me, to another world  
And we rely on each other, uh huh  
From one lover to another, uh huh

Islands in the stream, that is what we are  
No one in between, how can we be wrong  
Sail away with me, to another world  
And we rely on each other, uh huh  
From one lover to another, uh huh
