

# Kenny Rogers, Love Lifted Me

Every now and then when the world steps in  
Stealin' all our time away  
It soon takes so much, we forget to touch  
That's when I know it's time for me to say.

Take my hand let's walk through love's door  
And be free from the world once more  
Here's my arms, we can hide today  
And love the world away.

Once again we'll be where our hearts are free  
And the time is ours to share  
Love will always stay just a touch away  
Come with me all the magic's waiting there.

Take my hand let's walk through love's door  
And be free from the world once more  
Here's my heart, we can hide today  
And love the world away.

We can love the world away...
