

Kenny Rogers, Love or Something Like It

Sung by kenny rogers

Show me a bar with a good lookin' woman
Then just get out of my way
Turn on the jukebox, I'll show you
Liquor and music, a good combination
If you've got love on the brain
I never knew two women who
adored me
Somethin' got a hold on me
Cheap but it ain't free
Love or somethin' like it
Got a hold on me
That when I asked her, my place or your place
I hope I'm not out of line
I asked the wrong thing, but just
Somethin' got a hold on me
Cheap but it ain't free
Love or somethin' like it
Got a hold on me
Somethin' got a hold on me
Cheap but it ain't free
Love or somethin' like it
Got a hold on me
Love or something like it
