

Kenny Rogers, Ruby, Don't Take Your Love To T

You've painted up your lips an rolled and curled your tinted hair
Ruby are you contemplating going out somewhere
The shadows on the wall tell me the sun is going down
Ruby, don't take your love to town

It wasn't me that started that old crazy Asian war
But I was proud to go and do my patriotic chore
And it's true I'm not the man, Ruby, that I used to be
Ruby, I still need some company

It's hard to love a man whose legs are bent and paralysed
And the wants and the needs of a woman your age, Ruby I realize
But it won't be long I've heard them say until I'm not around
Oh Ruby, don't take your love to town

She's leavin' now 'cause I just heard the slamming of the door
The way I know I've heard it slam one hundred times before
And if I could move I'd get my gun and put her in the ground
Ruby, don't take your love to town
For God's sake turn around
Don't take your love to town
