

# Kenny Rogers, Ruby, Don't Take Your Love to Town

You've painted up your lips  
And rolled and curled your tinted hair  
Ruby are you contemplating  
Going out somewhere  
The shadow on the wall  
Tells me the sun is going down  
Oh Ruby  
Don't take your love to town

It wasn't me  
That started that crazy Asian war  
But I was proud to go  
And do my patriotic chore  
And yes, it's true that  
I'm not the man I used to be  
Oh, Ruby I still need some company

It's hard to love a man  
Whose legs are bent and paralyzed  
That my wants and needs of a woman of your age  
Ruby, I realized  
Oh Ruby  
Don't take your love to town

She's leaving now cause  
I just heard the slamming of the door  
The way I know I've heard it  
Some 100 times before  
And if I could move I'd get my gun  
And put her in the ground  
Oh Ruby  
Don't take your love to town  
Oh Ruby for God's sake turn around
