

Kenny Rogers, So in Love With You

So in love with you.

Girl, I've seen you lonesome every morning,
by my side you'd never be alone,
just tell me what it is your heart desire,
cos all I wanna do is take you home.

cos I'm so in love with you
yes, I'm so in love with you
yes, I'm so in love with you
I'm so in love with you.

Come on girl, I need you here beside me,
I'll show you love like you've never known
And I will tell the world how much I love you,
cos all I wanna do is take you home.

cos I'm so in love ...

see, is it only just a minute
your love I've got to win it
don't let me down
you know there's one thing about you,
I just can't live without you
don't let me down.

You're the one that keeps all together,
let me hold you in my arms all thro' the night
What I'm trying to say it's girl I love you
and loving you is the best part of my life.

'cos I'm so ...
