

# Kenny Rogers & The First Edition, Something's B

(Mac Davis)

You lie in gentle  
Sleep beside me  
I hear your warm  
And rhythmic breathing

I take your hand  
And hold it tightly  
(Listen) can you not hear  
Our young hearts beating

I kiss the sleep  
From your eyes  
Your smile is sweeter  
Than the morning

And a-here it comes  
Can't you feel it baby  
Can't you feel it  
Here it comes  
Feel it, feel it  
Fire, fire

Something's burning  
Something's burning  
Something's burning  
And I think it's love

And now the sun  
Is burning brightly  
We lie in love  
So close together

I get the feeling  
Deep inside me  
My love for you  
Will burn forever

I cup my hands  
To touch your face  
And once again  
I feel your fire

And a-here it comes  
Can't you feel it, baby  
Can't you feel it  
Here it comes again  
Feel it, feel it  
Fire, fire

Something's burning  
Something's burning  
Something's burning  
And I think it's love

And I think it's love  
And I think it's love  
And I think it's love

Can't you feel the fire  
Keeps burnin'  
Can't you feel the fire  
Keeps burnin'

Can't you feel the fire  
Keeps burnin'  
And I think it's love  
And I think it's love

Can't you feel the fire  
Keeps burnin'  
Can't you feel the fire  
Keeps burnin'  
Can't you feel the fire  
Keeps burnin'  
And I think it's love  
And I think it's love
