

Kenny Rogers, What Are We Doin' In Love?

(Dottie)

We're like summer and winter

We're not one bit alike

We're like satin and cinders

I'm definitely not your type

(Together)

Well, then what are we doin' in love

What are we doin' in a mess like this

What are we doin' love

(Dottie)

Why were you someone I couldn't resist

(Together)

What are we doin' in love

(Kenny)

We're like paper and matches

(Dottie)

We'll probly have our share of fights

(Kenny)

We're like roses and switches

(Dottie)

It's gonna be hard bit we've got to try

(Together)

So what are we doin' love

What are we doin' in a mess like this

What are we doin' love

(Kenny)

And what are we gonna tell all our friends

(Dottie)

You don't have to like someone

To love someone

That rule was made to be broken

(Together)

But if we have to say goodbye

To a life we've gotten used to

What are we doin' love then

(Dottie)

We're like sunup and sundown

(Kenny)

People say we're never going to last

(Dottie)

Like Uptown and downtown

(Kenny)

You like it slow but I like it fast

(Together)

What are we doin' love

What are we doin' in a mess like this

What are we doin' love

(Kenny)

What are we gonna tell all our friends

(Together)

What are we doin' love

What are we doin' in a mess like this

What are we doin' love

(Dottie)

You were just someone I couldn't resist

(Together)

So that's what we're doin' in love
