

Kenny Wayne Shepherd Band, Every Time It Rains

This one's for you

Dust can't dry
Rust takes hold
See it in the sky
You wanna go
Every time it rains
Every time it rains

Clouds come
Standin' in the doorway
You run
Why you wanna run away?
Sky falls take it as a sign
Who knows what I'm gonna find
Every time it rains

If the rivers rise
You watch it all come down
See it in your eyes
It doesn't make a sound
Every time it rains
Every time it rains

Clouds come
Standin' in the doorway
You run
Why you wanna run away?
Sky falls take it as a sign
Who knows what I'm gonna find
Every time it rains

Clouds come
Standin' in the doorway
You run
Why you wanna run away?
Sky falls take it as a sign
Who knows what I'm gonna find
Every time it rains

Dust can't dry
Rust takes hold
See it in the sky
You wanna go
Every time it rains
Every time it rains

Clouds come
Standin' in the doorway
You run
Why you wanna run away?
Sky falls take it as a sign
Who knows what I'm gonna find
Every time it rains
Yeah, every time it rains
Oh yeah, every time it rains
Every time it rains
