

Kenny Wayne Shepherd Band, Everybody Gets T

It don't matter if you're rich
It don't make no difference if your poor
Simple things in life can make you mad to the core

It doesn't matter if you're young
Don't make no difference if you're old
You got to stand a little rain
Before you reach a pot of gold
Everybody gets the blues
Everybody got to cry
Take the good with the bad
Take the lows and the highs
Well, you work and you worry
Spend your life paying dues
Everybody has a hard time sometime
Everybody gets the blues

Ain't no different for a woman
Than it is for a man
Everybody goes dancing
Everybody pays the band
Everybody got to take
Everybody got to give
Everybody got to live

Everybody gets the blues
Everybody got to cry
Take the good with the bad
Take the lows and the highs
Well, you work and you worry
Spend your life paying dues
Everybody has a hard time sometime
Everybody gets the blues

Don't matter if you're fat
Don't matter if you're thin
Everybody got to lose
Everybody got to win
Don't matter if you're black
Don't matter if you're white
You know you got to get it wrong
To have a chance to make it right

Everybody gets the blues
Everybody got to cry
Take the good with the bad
Take the lows and the highs
Well, you work and you worry
Spend your life paying dues
Everybody has a hard time sometime
Everybody gets the blues
