

Kenny Wayne Shepherd, Every Time It Rains

The dust can dry
The rust takes hold
See it in the sky
You're gonna go
Everytime it rains
Everytime it rains

Clouds come, they're standin' in the doorway
You run, why you wanna run away
Sky falls, take it as a sign
Who knows what I'm gonna find
Everytime it rains

And the rivers rise
You watch it all come down
See it in your eyes
It doesn't make a sound
Everytime it rains
Everytime it rains

Clouds come, they're standin' in the doorway
You run, why you wanna run away
Sky falls, take it as a sign
Who knows what I'm gonna find
Everytime it rains

Everytime it rains

Clouds come, they're standin' in the doorway
You run, why you wanna run away
Sky falls, take it as a sign
Who knows what I'm gonna find
Everytime it rains

Everytime it rains

The dust can dry
The rust takes hold
See it in the sky
You're gonna go
Everytime it rains

Everytime it rains

Clouds come, they're standin' in the doorway
You run, why you wanna run away
Sky falls, take it as a sign
Who knows what I'm gonna find
Everytime it rains

Everytime it rains
