

Kenny Wayne Shepherd, Never Mind

Top of the world, oughta feel better
Bottom sure come at you a whole lot faster
Can you keep a secret I'll tell you
Still didn't get the answers where I'm standing
'Cause I get a little shook sometimes
And I thought maybe you could tell me why
Never mind
So long torn in all directions
Tossed and turned is how I am feeling
Tell you everything

All about what I've been dreamin'
Let go, domino, fall down, however I'm leavin'
And I get a little shook sometimes
And I thought maybe you could tell me why
Oh, it's alright baby...never mind
Top of the world, it used to look better
Down low ain't no vertigo spin me 'round faster
'Cause I just get a little shook sometimes
And I thought maybe you could tell me why
Oh that's alright baby
