

Kenny Wayne Shepherd, Was

It was a moonless night
It was a empty sky
It was a bad excuse
I was the only fool in sight
It was a crazy thought
A mad man walk it was.

It was a moonless night
It was a empty sky
It was bad excuse
I was the only fool is sight
It was a crazy thought
A mad man walk it was

I had a wandering eye
She was a better time
One twisted heart
A black cat walking by.
She was a crazy thought
A mad man walk she was.

She was a long way home
Walking broken bones
It wasn't wrong or right
How deep that knife could go
It was a crazy thought
A mad man walk it was

It was a crazy thought
A mad man walk it was

She was a hangman noose
I was the fool□
I was

Yeah baby□
I was
