Kenny Wayne Shepherd, Was

It was a moonless night
It was a empty sky
It was a bad excuse
I was the only fool in sight
It was a crazy thought
A mad man walk it was.

It was a moonless night

It was bad excuse
I was the only fool is sight
It was a crazy thought
A mad man walk it was

I had a wandering eye She was a better time One twisted heart A black cat walking by. She was a crazy thought A mad man walk she was.

She was a long way home Walking broken bones It wasn wrong or right How deep that knife could go It was a crazy thought A mad man walk it was

It was a crazy thought A mad man walk it was

She was a hangman noose I was the fool□ I was

Yeah baby□ I was
