

# Kensington Gore, Hard and Fast in a Toilet Cubicle

Today my heart is spazzin out  
So I turn to the sky and I scream and shout  
But I dont get no answer back  
Till thunder strikes and grey turns black

Girl, you know that tasty feeling I get  
No skin and bones, just flesh and sweat  
Cuz you know my fresh meat is the best  
Oh its so good in this sweet carress

Now breathe in your lungs  
Im gonna need the air  
Cuz baby, where Im heading  
noone likes to share

Now scam!  
Before I call the cops on your ass  
Now scam!  
Before I call the cops on your ass  
Oh but the heavens look down on me  
And they just fall about and laugh.

So for now I feel safe, yeah I feel Im getting closer  
Youre my fail-safe but me, Im just your closure  
For tonight lets play a game where were cut off from the world  
Where the ground shakes and wont get us, where were just a boy and girl

Sing hallelujah for the dogs and sheep  
Cuz in this world baby, thats all youll be  
And one for the wounded, and one for the dead  
And one for the demons hiding under my bed

Come on baby, Im not crazy, Im just trying to make no sense  
But in the end the game will play me just like I played the rest  
And Im not hiding from death; Im just a little shy  
But look at me when Im out of breath, drowning in my lies

As I walk through the valley of the shadow of death  
I feel a little out of place  
With my head held high, one last salute to the sky  
But the, the sky is turned away

Well I walk in the shadow of the valley of death, and  
Death removes my face!  
But I feel no regret, I feel no shame;  
I walk alone in my disgrace!
