

Kent, Ett Tidsf

Det r i mars jag fyller r
Men min feber gr det svrt
Designer Drmmar ny frisy
Det hr r brjan p en ny tid
Jag fick en tung roll som din clown
Charlie Chaplin, Eva Braun
En storlek ner, Gud du r smal
Det hr r brjan p en ny dag

Iskallt och menlst
Plasten gr dig vacker r du glad ?
En livslgn att d fr
Det r lggdags
Fr skmten
Det r allvar i r

S stod vren utanfr
I vrmen blev din klning helt frstrd
Och dina hjltar dog vid spisen
Fick gift av TV-kockar och repriser

Iskallt och menlst
Plasten gr dig vacker r du glad ?
En livslgn att d fr
Det r lggdags
Fr skmten
Det r allvar i r

It's in March I have my birthday
But my fever makes it difficult
Designer Dreams, new hairstyle
This is the beginning of a new time
I got a major role as your clown
Charlie Chaplin, Eva Braun
One size smaller, God are you thin
This is the beginning of a new day

Ice cold and meaningless
Plastic makes you beautiful, aren't you pleased ?
A life myth to die for
It's time to go to bed
For fun
It's serious all year long

So stands spring outside
In the heat your clothes got tainted
And your heroes died around the fireplace
They got poisoned by the TV-chef and repeat

Ice cold and meaningless
Plastic makes you beautiful, aren't you pleased ?
A life myth to die for
It's time to go to bed
For fun
It's serious all year long
