

# Keren Ann, By The Cathedral

Darling  
I will remember, darling  
I've been  
Mellow and tender  
I've seen water  
By the cathedral  
Under the maple  
It was in April  
You wore a raincoat  
By the cathedral  
I wasn't able, I was unable  
Someday  
You will forgive me darling  
Someday  
You will believe that I've seen thunder  
By the cathedral  
Under the maple  
It's was in April  
You wore a raincoat  
By the cathedral  
I wasn't able, I was unable

Darling  
I will remember, darling  
I've been  
Mellow and tender  
I've seen water  
By the cathedral  
I've seen thunder  
But I wasn't able, darling...
