

# Keren Ann, It Ain't No Crime

Don't say nothin'  
I'll speak for two  
I'll do the lying  
You just walk through  
It ain't no crime  
That's what we do  
Ain't that what we do?

There are no victims,  
There is no truth  
We take their money  
They take our youth  
It ain't no crime  
That's what we do  
Ain't that what we do?

Baby I,  
Won't trade your million dollar smile  
Won't let them take your most particular style  
But let's give em something to remember you by  
Oh my

A skill for foolin'  
That's all I have  
I promise kisses  
But not to love  
It ain't no crime  
That's what we do  
Ain't that what we do?

Baby I,  
Won't trade your million dollar smile  
Won't let them take your most particular style  
But I'll give em something to remember you by  
Oh my

Don't s say nothin'  
I'll speak for two  
I'll do the lying  
You just walk through  
It ain't no crime  
That's what we do  
Ain't that what we do?
