Keren Ann, It Ain't No Crime

Don't say nothin' I'll speak for two I'll do the lying You just walk through It ain't no crime That's what we do Ain't that what we do?

There are no victims, There is no truth We take their money They take our youth It ain't no crime That's what we do Ain't that what we do?

Baby I, Won't trade your million dollar smile Won't let them take your most particular style But let's give em something to remember you by Oh my

A skill for foolin' That's all I have I promise kisses But not to love It ain't no crime That's what we do Ain't that what we do?

Baby I, Won't trade your million dollar smile Won't let them take your most particular style But I'll give em something to remember you by Oh my

Don't s say nothin' I'll speak for two I'll do the lying You just walk through It ain't no crime That's what we do Ain't that what we do?
