

Keren Ann, Roses And Hips

Roses and hips along the sidewalk
Fool's got eyes
And I don't
Land slides and grips onto a side rock
Fool's got eyes
And I don't

So take me slowly by the hand
And show me through
Forever land

Roses and hips along the sidewalk
Fool's got eyes
And I don't

So take me slowly by the hand
And show me through
Forever land
