

# Keri Hilson, Headsprung

They call me Big L'y, Big Silly  
Big Money, Big Billy  
When I'm sliding in them all can ya hear me?  
I be sexing wit these bars so ya feel me  
Let me grip it up for cuz in the back  
Let me grip it get a buzz in ya hat  
I'm a tell ya how to cause an attack  
Timbaland, Ladies Love on the track  
Lovely get the ice, pop champagne  
Don't forget I used to ride on the train  
When I bump it right, call my name  
Go crazy in the mall wit James  
Dump that, not ill like me  
Bring the women in to chill for free  
Let me tell ya girl, don't try me  
You better have I.D.!

(Chorus - Timbaland (2x))

When we be up in the club  
We be posting the back  
When we be in the club  
Girl always come to the back  
And we bout to get our head sprung  
And we bout to get our head sprung  
And we bout to get our head sprung  
And we bout to get our head sprung

(Verse - LL Cool J)

Lord have mercy! If the broad is thirsty  
I'll have her man reimburse me

The part that hurts me, is when they try to work me  
But I could never let ya jerk me  
Steady sticking to the wall, give it up  
Sneaking through the back door live it up  
Got the champagne, pour me a cup  
Got the girls looking raw in the front  
Got a call your man's in town  
Tell the bar, a-nother round  
Got all my mans holding me down  
Kinda thick ma, let's get down, so get wit it  
I'm saying what time wanna dip wit it?  
Got playas on the grind, wanna skip wit it  
Backstage you mine, I'm a spit wit it, hey!

(Chorus)

(Bridge - LL Cool J (Ladies) ((Fellas)))

Hey ladies! (Yeah!) no need to get your hair done  
I said yo ladies! (Yeah!) no need to get your hair done  
I'm a get your head sprung, I'm a get your head sprung  
I'm a get your head sprung, I'm a get your head sprung  
I said yo fellas ((Yo!)) no need to throw them ones  
I said yo fellas ((Yo!)) no need to throw them ones  
I'm a get your head sprung, I'm a get your head sprung  
I'm a get your head sprung, I'm a get your head sprung (Hey!)

(Chorus)

(Outro - Timbaland)

Yeah! Keep chillin wit em, yeah
