

Keri Hilson, Mic Check

Verse1:

I let you talk and even though u over react
I try to listen didn't give u any feedback
Everytime I tell what I need
You don't care how much I bleed
Am I commin' through check 1,2 1,2
Down to the wire u over lookin' the red lights
And every little issue is amplified
(Sorry Didn't Catch It)
Can't cry my tears over u 1,2 1,2

Pre-Chorus:

Had to turn it up a notch (One notch hate to fuss)
Better listen up (Better listen up)
Cause it's over I had enough, tired of keepin it down
Not goin' bottle it up, u bout' to hear me out

Chorus:

Mic Check come on, mic check 1,2 come on
It's the final round, I'm bout to bounce, baby I'm out (Can u hear me now?)
Mic Check come on, mic check 1,2 come on
It's the final round, I'm bout to bounce, baby I'm out (Bet u hear me now)

Verse2:

U kill me out 'fore I started I'm not goin run it back
U told me how to give u static and I mean that
I mapped it out I gave u clues, now I'm blowing a fuse
Am I gettin' through check 1,2 1,2
Sike read my facial expression see how I'm pulling back
U said I'm trippin bet u'd like me to believe that
But I'm standing my ground,
Yep stubborn and I'm proud
Am I gettin' through check 1,2 1,2

Pre-Chorus:

Had to turn it up a notch (One notch hate to fuss)
Better listen up (Better listen up)
Cause it's over I had enough, tired of keepin it down
Not goin' bottle it up, u bout' to hear me out

Chorus:

Mic Check come on, mic check 1,2 come on
It's the final round, I'm bout to bounce, baby I'm out (Can u hear me now?)
Mic Check come on, mic check 1,2 come on
It's the final round, I'm bout to bounce, baby I'm out (Bet u hear me now)

Verse3: (Akon)

U said I switched it, not stickin' to the game plan
Now u talkin' down on me like I'm rain man
Feel like actin' a fool, I'm trynna keep it cool
What u s'pect me to do?
Check 1,2 1,2

I let ur speakers bump, turn up the volume
I hear u loud and clear, baby girl it's all u
So if you wanna leave, baby there's the door
I ain't goin' hold yo hand if u really wanna go
Imma need that whip, kick rocks take the bus
Better hurry up, better hurry up
So i u need ya space baby that's what's up
Imma need my place baby get ur stuff.

Chorus:

Mic Check come on, mic check 1,2 come on
It's the final round, I'm bout to bounce, baby I'm out (Can u hear me now?)
Mic Check come on, mic check 1,2 come on
It's the final round, I'm bout to bounce, baby I'm out (Bet u hear me now)
