

# Kerli, Bulletproof

Just a simple touch  
Just a little glance  
Makes me feel like flyin'.  
But where are you tonight?  
Something isn't right  
Can you please stop hiding?

I am trying not to think about  
All the things you did before,  
But sometimes it all just gets to me  
I can't take it anymore  
I'll stay with you  
But remember  
Be careful what you do  
Cause I'm not bulletproof.

In your secret place  
Staring into space  
Leaves me feeling frozen  
I just need to feel  
That what we have is real  
And I'm the one you've chosen

I'm trying not to think about  
All the things you did before  
But sometimes it all just gets to me  
I can't take it anymore  
I'll stay with you  
But remember  
Be careful what you do be  
Cause I'm not bulletproof

(repeat)

Be careful what you say  
Be careful what you do  
I'm not bulletproof.  
I'm not bulletproof
