

# Kerli, Hold on

I heard you cryin? last night,  
Did you stop tryin? last night.  
You say there is nothin? left for us.  
You say there is nothin? left of us.

And we were flyin? so high.  
Fell to pieces, in the sky.  
I knew there was nothin? left of us.  
Tryin to find somethin? left for us.

So keep tryin? then pretty girl,  
It?s too late and nothin? hurts  
Hold on.  
Hold on.

I?ll turn the lights off sleep tight.  
And I?ll be leavin? so good bye.  
We?ll know there is nothing left of us  
This time there is nothin? left for us

So keep tryin? then pretty girl,  
It?s too late and nothin? hurts  
So Hold on.  
I keep tryin then pretty girl  
It?s too late and nothin? hurts  
No more.

La la la la  
La la la la la la la la

La la la la  
La la la la la la la la

La la la la  
La la la la la la la la

La la la la  
La la la la la la la la

Keep tryin? then pretty girl  
It?s too late and nothin? hurts  
So hold on.  
Keep tryin then pretty girl  
It?s too late and nothin? hurts  
So hold on.  
Hold on.  
Hold on.  
Hey, So hold on.  
Hold on.
