

# Kerli, Walking On Air

There's a little creepy house  
In a little creepy place  
Little creepy town  
In a little creepy world

Little creepy girl  
With her little creepy face  
Saying funny things  
That you have never heard

Do you know what it's all about?  
Are you brave enough to figure out?  
Know that you could set your world on fire  
If you are strong enough to leave your doubts

Feel it and breathe it, believe it  
And you'll be walking on air  
Go try, go fly so high  
And you'll be walking on air

You feel this, unless you kill this  
Go on and you're forgiven  
I knew that, I could feel that  
I feel like I am walking on air

She has a little creepy cat  
And a little creepy bat  
Little rocking chair  
And an old blue hat

That little creepy girl  
Oh, she loves to sing  
She has a little gift  
An amazing thing

With her little funny eyes of hazel  
With her little funny old blue hat  
She will go and set the world on fire

No one ever thought she could do that

Feel it and breathe it, believe it  
And you'll be walking on air  
Go try, go fly so high  
And you'll be walking on air

You feel this, unless you kill this  
Go on and you're forgiven  
I knew that, I could feel that  
I feel like I am walking on air

Flitter up and hover down  
Be all around, be all around  
You know that I love you, go on

Feel it and breathe it, believe it  
And you'll be walking on air  
Go try, go fly so high  
And you'll be walking on air

You feel this, unless you kill this  
Go on and you're forgiven  
I knew that, I could feel that  
I feel like I am walking on air

I am walking on air  
I am walking on air  
I am walking on air
