

Kermit The Frog, The Rainbow Connection

Why are there so many
Songs about rainbows
And what's on the other side

Rainbows are visions
But only illusions
And rainbows have nothing to hide

So we've been told and some choose to believe it
I know they're wrong wait and see

Someday they'll find it
The Rainbow Connection
The lovers, the dreamers,
And me

Who said that every wish
Would be heard and answered
When wished on the morning star

Somebody thought of that
And someone believed it
And look what it's done so far

What's so amazing that keeps us stargazing
And what do we think we might see

Someday we'll find it
The Rainbow Connection
The lovers, the dreamers,
And me

All of us under it's spell
We know that it's probably magic

Have been half asleep
And have you heard voices
I've heard them calling my name

Is this the sweet sound
That calls the young sailors
The voice might one and the same

I've heard it too many times to ignore it
It's something that I'm supposed to be

Someday we'll find it
The Rainbow Connection
The lovers, the dreamers,
And me

La, di da
Di da da doo
La da da da
La di da doo
