

Kerria, PayDay

I'm faded
Got no time to waste
It's my payday
Got too many things
Oh, I can't say
Lost count of hours
I'm overworked, got no time tonight

Monday start it all
Tuesday going on and on
Wednesday on my own
Thursday hanging with my boy
Friday gotta go
Five days for me is just too long
I'm overworked, got no time tonight

I'm faded
It's my payday
I can't say
It's my payday

Monday start it all
Tuesday going on and on
Wednesday on my own
Thursday hanging with my boy
Friday gotta go
Five days for me is just too long
I'm overworked, got no time tonight
I'm faded
Got no time to waste
It's my payday
Got too many things
Oh, I can't say
Lost count of hours
I'm overworked, got no time tonight

Monday start it all
Tuesday going on and on
Wednesday on my own
Thursday hanging with my boy
Friday gotta go
Five days for me is just too long
I'm overworked, got no time tonight

I'm faded
It's my payday

It's my payday
