

# Kerry Ellis, No-One But You

A hand above the water  
An angel reaching for the sky  
Is it raining in heaven -  
Do you want us to cry?

And everywhere the broken-hearted  
On every lonely avenue  
No-one could reach them  
No-one but you

One by one  
Only the good die young  
They're only flying too close to the sun  
And life goes on -  
Without you...

Another tricky situation  
A get to drown' in the blues  
And i find myself thinkin'  
Well - what would you do?

Yes! - it was such an operation  
Forever paying every due  
Hell, you made a sensation  
You found a way through - and

One by one  
Only the good die young  
They're only flyin' too close to the sun  
We'll remember -  
Forever...

And now the party must be over  
I guess we'll never understand  
The sense of your leaving  
Was it the way it was planned?

And so we grace another table  
And raise our glasses one more time  
There's a face at the window  
And i ain't never, never sayin' goodbye...

One by one  
Only the good die young  
They're only flyin' too close to the sun  
Cryin' for nothing  
Cryin' for no-one  
No-one but you
