

# Kesha, C'mon

Saw you leaning against that old record machine  
Saw the name of your band written on the marquee  
It's a full moon tonight so we gettin' rowdy  
Yeah, we gettin' rowdy, get-get-gettin' rowdy

Feeling like I'm a high schooler sipping on a warm wine cooler  
Hot 'cause the party don't stop, I'm in a crop top like I'm working at Hooters  
We been keepin' it PG but I wanna get a little frisky  
Come gimme some of that, yum like a lollipop, let me set you free

C'mon 'cause I know what I like  
And you're looking just like my type  
Let's go for it just for tonight  
C'mon, c'mon, c'mon  
Now don't even try to deny  
We're both going home satisfied  
Let's go for it just for tonight  
C'mon, c'mon, c'mon

Write our names on the wall in the back of the bar  
Steal some bubble from the corner meximart  
Yeah, we laughing like kids causing trouble in the dark  
Causing trouble in the dark, tr-tr-trouble in the dark

Feeling like a sabertooth tiger sipping on a warm Buddweiser  
Touch me and gimme that rush, better pack a toothbrush, gonna pull an all-nighter  
We been keepin' it Kosher, but I wanna get it on fo' sure  
Come gimme some of that, yum like a lollipop, baby, don't be scurred

C'mon 'cause I know what I like  
And you're looking just like my type  
Let's go for it just for tonight  
C'mon, c'mon, c'mon  
Now don't even try to deny  
We're both going home satisfied  
Let's go for it just for tonight  
C'mon, c'mon, c'mon

I don't wanna go to sleep  
I wanna stay up all night  
I wanna just screw around  
I don't wanna think about  
What's gonna be after this  
I wanna just live right now

I don't wanna go to sleep  
I wanna stay up all night  
I wanna just screw around  
I don't wanna think about  
What's gonna be after this  
I wanna just live right now

C'mon!

C'mon 'cause I know what I like  
And you're looking just like my type  
Let's go for it just for tonight  
C'mon, c'mon, c'mon  
Now don't even try to deny  
We're both going home satisfied  
Let's go for it just for tonight  
C'mon, c'mon, c'mon
