Kesha, C'mon

Saw you leaning against that old record machine Saw the name of your band written on the marquee It's a full moon tonight so we gettin' rowdy Yeah, we gettin' rowdy, get-get-gettin' rowdy

Feeling like I'm a high schooler sipping on a warm wine cooler Hot 'cause the party don't stop, I'm in a crop top like I'm working at Hooters We been keepin' it PG but I wanna get a little frisky Come gimme some of that, yum like a lollipop, let me set you free

C'mon 'cause I know what I like And you're looking just like my type Let's go for it just for tonight C'mon, c'mon, c'mon Now don't even try to deny We're both going home satisfied Let's go for it just for tonight C'mon, c'mon, c'mon

Write our names on the wall in the back of the bar Steal some bubble from the corner meximart Yeah, we laughing like kids causing trouble in the dark Causing trouble in the dark, tr-tr-trouble in the dark

Feeling like a sabertooth tiger sipping on a warm Buddweiser Touch me and gimme that rush, better pack a toothbrush, gonna pull an all-nighter We been keepin' it Kosher, but I wanna get it on fo' sure Come gimme some of that, yum like a lollipop, baby, don't be scurred

C'mon 'cause I know what I like And you're looking just like my type Let's go for it just for tonight C'mon, c'mon, c'mon Now don't even try to deny We're both going home satisfied Let's go for it just for tonight C'mon, c'mon, c'mon

I don't wanna go to sleep I wanna stay up all night I wanna just screw around I don't wanna think about What's gonna be after this I wanna just live right now

I don't wanna go to sleep I wanna stay up all night I wanna just screw around I don't wanna think about What's gonna be after this I wanna just live right now

C'mon!

C'mon 'cause I know what I like And you're looking just like my type Let's go for it just for tonight C'mon, c'mon, c'mon Now don't even try to deny We're both going home satisfied Let's go for it just for tonight C'mon, c'mon, c'mon
