

Kesha, Joyride

Are you a man?
Cuz I'm a bitch
I'm already rich
Just looking for that mmmmm
This party sucks
I'm 'bout to ditch
Don't even try to give me shit, I've earned the right to b-be like this
Oh, you say you love me? That's funny
Well, so do I

I'm just looking for a joyride, joyride
I'm just looking for a good time tonight
Baby, I want you to rev my engine 'til you make it purrrr
Keep it kinky, but I come first
Beep beep bitch, I'm outside. Get in loser for the joyride.
Making every motherfucker turn
Fell from heaven no, it didn't hurt
Beep beep best night of your life
Get in loser for the joyride
Joyride
Get in loser for the joyride

Keep your eyes on the road
A label whore but I'm bored of wearing clothes
You want kids? Well, I am mother
Don't even try to give me shit, I've earned the right to b-be like this

Joyride, joyride
I'm just looking for a good time tonight
Baby, I want you to rev my engine 'til you make it purrrr
Keep it kinky, but I come first
Beep beep bitch, I'm outside. Get in loser for the joyride.
Making every motherfucker turn
Fell from heaven no, it didn't hurt
Beep beep best night of your life
Get in loser for the joyride

Don't even
Don't give me shit
Don't even
Cuz I'm a bitch

Don't even
Don't give me shit
I'm a bitch
I'm a bitch

Don't even
Don't give me shit
Don't even
Cuz I'm a bitch
Don't even
Cuz I'm a bitch
I'm a bitch

Joyride
Joyride
Get in loser for the joyride
