

Kesha, Praying

[Monologue]

Am I dead? Or is this one of those dreams? Those horrible dreams that seem like they last forever

[Verse 1]

Well, you almost had me fooled
Told me that I was nothing without you
Oh, but after everything you've done
I can thank you for how strong I have become

[Pre-Chorus]

'Cause you brought the flames and you put me through hell
I had to learn how to fight for myself
And we both know all the truth I could tell
I'll just say this is I wish you farewell

[Chorus]

I hope you're somewhere prayin', prayin'
I hope your soul is changin', changin'
I hope you find your peace
Falling on your knees, prayin'

[Verse 2]

I'm proud of who I am
No more monsters, I can breathe again
And you said that I was done
Well, you were wrong and now the best is yet to come
'Cause I can make it on my own
And I don't need you, I found a strength I've never known
I'll bring thunder, I'll bring rain, oh-oh
When I'm finished, they won't even know your name

[Pre-Chorus]

You brought the flames and you put me through hell
I had to learn how to fight for myself
And we both know all the truth I could tell
I'll just say this is I wish you farewell

[Chorus]

I hope you're somewhere prayin', prayin'
I hope your soul is changin', changin'
I hope you find your peace
Falling on your knees, prayin'

[Bridge]

Oh, sometimes, I pray for you at night
Someday, maybe you'll see the light
Oh, some say, in life, you're gonna get what you give
But some things only God can forgive

[Chorus]

I hope you're somewhere prayin', prayin'
I hope your soul is changin', changin'
I hope you find your peace
Falling on your knees, prayin'
