

# keshi, ANGEL

I  
Just wanted to believe  
That maybe you'd be good to me  
I'm just misunderstood, you see

You  
Never had a clue  
All the days that I spent loving you  
Who'm I supposed to give 'em to?

I let you in  
Again and again  
So tell me, baby

What could I do?  
What could I do?  
I thought you were an angel  
And lost myself when I caught sight of you

I'm  
Bidding you farewell  
You'd never stand a chance in hell  
They've got another clientele

You're  
Treading at the shore  
I bet you've never drowned before  
In someone that you'd do it for

I let you in  
Again and again  
So tell me, baby

What could I do?  
What could I do?  
I thought you were an angel  
And lost myself when I caught sight of you
