

keshi, Dream

She's on top of the world it's a good life
I get up just as high on a good night
And it's good, right? Mmm

She wants flowers to grow in the sunshine
But I run just like the wind in the moonlight
And it's not right
Cus in my mind

She's a dream
The best thing to happen to me
She's a dream
All that I thought it could be
She's a dream come true
But I have nightmares it should've been you

You were all that I had for a long time
And I still think back to you on a bad night
And it's a bad night
It's a bad, bad night

She's a dream
The best thing to happen to me
She's a dream
All that I thought it could be
She's a dream come true
But I have nightmares it should've been You, you, you
Should've been

You, you, you
Should've been
You, you, you
Should've been
You, you, you

Should've been you
Should've been you
(In my nightmares, in my nightmares)
Should've been you
(In my nightmares, in my nightmares)
Should've been you
