

# keshi, GABRIEL

Wait  
Hold me  
Before you leave  
Stay  
Love me  
Or I'll bleed

I don't want you to go  
Know that I'll miss you so  
Before you leave  
Come see Gabriel

Lay  
On me  
While he breathes  
And he grows  
Strongly  
And now I see

When it's my time to go  
Know that I'll miss you so  
Before I leave  
I'll see Gabriel
