

# keshi, LIMBO

I just been goin' through motions  
Back and forth like a ocean  
I am a fraud, I am the shit  
Hoping that nobody notice  
Bang chest in the morning  
Head down in the night  
Drink less if I wanted  
Strike up with the light

And square up, I'm the mightiest  
Myself in the fight  
Hurt twice but I tried it  
No advice for this shit  
Might die for this shit  
Do I feel alive, feel alive, feel alive?

Feel more like limbo  
Hands out my window  
Chasin' that sunset  
That's more my tempo  
Yeah, that's more my tempo

Ooh  
But this is all that I am  
I only show you the best of me  
The best of me

Looked in my demons and saw myself  
Put all my meaning in someone else  
Outta sight, outta mind  
Don't know where to find it  
Don't know where to hide  
But I still  
Eat good, drink good, feel good, s'all good  
Can't hear my head when I'm sat beside ya  
Fucked lungs and a liver  
Good looks in the mirror  
Do I feel alive, feel alive, feel alive?

Feel more like limbo  
Hands out my window  
Chasin' that sunset  
That's more my tempo  
That's more my tempo

Ooh  
But this is all that I am  
I only show you the best of me  
The best of me  
Ooh  
Tryin' but I'm just a man  
Hopin' it won't get the best of me  
The best of me
