

# keshi, TOUCH

Wrong, but it feels so right  
Wrong, but it feels so right  
It don't make sense but it feels so nice  
Show me, show me, oh  
Show me your chest on mine  
Show me your legs up high  
I don't wanna kiss all night, kiss all night  
(Ohh)

Wrong, but it feels so right  
Wrong, but it feels so right  
Wrong, but it feels so right  
It don't make sense, but it feels so nice  
Show me, show me, oh  
Show me your chest on mine  
Show me your legs up high  
I don't wanna kiss all night, kiss all night

If you want me, say you want me  
If you want me, say you want me  
Treading softly, on my body while you tell me  
That you're taking it slow, but you're pulling me close  
If I bow to the throne, is it better than us?  
Give me comfort, give me warning  
When I wake, you're always missing in the morning  
But you don't need to run, if you're looking for love  
Said it's only a touch, is it better than us to you?  
Wrong, but it feels so right  
Wrong, but it feels so right  
Wrong, but it feels so right  
It don't make sense, but it feels so nice  
Show me, show me, oh  
Show me your chest on mine  
Show me your legs up high  
I don't wanna kiss all night, kiss all night

Mmm, mmm, hmm-hmm  
Mmm, mmm, hmm-hmm  
Mmm, mmm, hmm-hmm  
Can't talk with your tongue in my mouth  
I was thinkin' 'bout us when you're runnin' about  
Saw another one's car at the front of the house  
Knew I never meant much, but it's killing me now  
Mmm, mmm  
Tell me all the things I wanna hear, so come here  
Beautiful, anyone will do  
But you don't need to run, if you're looking for love  
If it's only a touch, was it better than us to you?

Wrong, but it feels so right  
Wrong, but it feels so right  
Wrong, but it feels so right  
It don't make sense, but it feels so nice  
Show me, show me, oh  
Show me your chest on mine  
Show me your legs up high  
I don't wanna kiss all night, kiss all night  
Wrong, but it feels wrong wrong it  
Wrong, but it feels wrong wrong it  
Wrong, but it feels so right right  
It don't make sense, but it feels so nice nice  
Show me, show me, ice
